

Europass Curriculum Vitae

Personal information

First name(s) / Surname(s) **Aleksandar JOKSIMOVIĆ**
Address(es) Dobrota, L₂/6, Školski centar, 85 330 Kotor, Montenegro
Telephone(s) +382 (0)32 334 569 Mobile: +382 (0)67 507 926
Fax(es) +382 (0)32 334 569
E-mail acojo@ac.me
Nationality Montenegrin
Date of birth 05.08.68
Gender male

Desired employment / Occupational field **Head of Laboratory for marine fisheries of Institute of Marine Biology**

Work experience

Dates From October 2007-2013, Head of Laboratory for ichthyology and fisheries, 2006-ongoing
Occupation or position held Director of Institute and Head of Laboratory for ichthyology and fisheries
Main activities and responsibilities -General Manager of Institute
-Coordinator of several national and international projects
-National focal point for FAO ADRIAMED Project
-Member of Scientific Committee of General Fisheries Commission for the Mediterranean (GFCM)
-Vice president of Compliance Committee of GFCM
-chief of Working group for Negotiations with EC-Chapter 13-Fisheries
Name and address of employer Institute of Marine Biology
Type of business or sector Laboratory for ichthyology and marine fisheries
Dates From October 1996 to September 2007
Occupation or position held Junior researcher in the Laboratory for ichthyology and marine fisheries
Main activities and responsibilities -Scientific research population dynamics of demersal fish
-Subcoordinator of international projects
Name and address of employer Institute of Marine Biology
Type of business or sector Laboratory for ichthyology and marine fisheries

Education and training

Dates From May 2005- ongoing
Title and qualification awarded Doctor of Biological sciences
Principal subjects/occupational skills Marine fisheries, population dynamics of the fish, mariculture, marine environment

covered	
Name and type of organisation providing education and training	University of Belgrade, Biological faculty, University of Kragujevac, Faculty for Natural-Mathematical Sciences, CNR ISMAR, Ancona, Institute of Oceanography and fisheries, Split, Institute of Marine Biology, Kotor
Level in national or international classification	Second stage of tertiary education (Level 6: ISCED 1997)
Dates	From April 1999 to May 2005
Title and qualification awarded	Master of Biological sciences / Ichthyology and Fisheries/
Principal subjects/occupational skills covered	Marine fisheries, population dynamics of the fish, mariculture, marine environment
Name and type of organisation providing education and training	University of Kragujevac, Faculty for Natural-Mathematics Sciences
Level in national or international classification	Second stage of tertiary education (Level 6: ISCED 1997)
Dates	From October 1988 to April 1993
Title and qualification awarded	Biologist
Principal subjects/occupational skills covered	Zoologia, Environment, Chordata, Ichthyologia
Name and type of organisation providing education and training	University of Kragujevac, Faculty for Natural-Mathematical Sciences
Level in national or international classification	Graduate University studies 4 years

Education and training Training

-Institute of Aquacultural researches "AKVAFORSK" Sunndalsora, Norway, 24 April – 23. May 2001.

-The AdriaMed Training Course on Fish Age Determination by Otolith Reading, Ancona, Italy, 13-17th. May 2002.

-Second Regional Small pelagic Stock Assessment Workshop "**Data Collection and Biological Sampling System on Small Pelagic in Adriatic Sea**" ISMAR-CNR, Ancona, Italy, 26th-29th April 2004.

-EU Wildlife Trade Regulation in Central and Eastern Europe-CITES, organized by Royal Society for the Prevention of Cruelty to Animals, Budapest, Hungary, 16-17th June 2005.

-The AdriaMed Training Activity on Responsible Fisheries Management, Module One, Portogruaro, Italy, 12-16th Septemeber 2005.

-The AdriaMed Training Activity on Responsible Fisheries Management, Module Two, Portogruaro, Italy, 12-16th December 2005.

-The Advanced Seminar of the NAUTA Programme on Tehnological Advances in Fishing Gear for Sustainable Management, CIHAEM-Intenational Centre for Advances Agronomic Studies, in IAMZ-Mediterranean Agronomic Institute, Zaragoza, Spain, 6-10 February, 2006.

-The FAO AdriaMed Training Course on the use of geographic information systems in fisheries and aquaculture. Institute of Oceanography and Fisheries, Split, Croatia 3-13 July 2007.

-The FAO AdriaMed Training Course on the daily eggs production method (DEPM) for the appraisal of small pelagic fisheries resources. Institute of Marine Biology, Kotor, Montenegro, 11-15 September 2007.

Personal skills and competences

Mother tongue(s) Montenegrin

Other language(s)

Self-assessment

Understanding	Speaking	Writing
----------------------	-----------------	----------------

European level (*)	Listening		Reading		Spoken interaction		Spoken production	
	C1	Proficient user	C1	Proficient user	C1	Proficient user	B1	Independent user
English Language	C1	Proficient user	C1	Proficient user	C1	Proficient user	B1	Independent user
Russian Language	B1	Independent use	B1	Independent use	B1	Independent user	B1	Independent user

Social skills and competences	An open, responsible and reliable person. Always ready to share knowledge and ideas with colleagues. Excellent at networking, a team player and a good ability to adapt to multicultural environments. Build trust, good morale and co-operation within the team.
Organisational skills and competences	Good general manager and director Good coordinator, experience in project management. Good organisation skills, gained working with the Institute as well as though the activities with the Ministry of Agriculture, forestry and water management Committed and professional staff member, with high degree of responsibility, capacity to work under pressure and to respond quickly to new requests, following rules and procedures, willing to accept new challenges.
Computer skills and competences	Windows and DOS applications: - Microsoft office: MSWord, Excel, Internet Explorer and Outlook, PowerPoint; - Graphics or photo imaging software: Adobe PhotoShop, CorelDraw, Paint Shop Program - Analytical scientific software: FISAT, ATRIS
Other skills and competences	- PHOTOGRAPHY - AUTHOR and CO-AUTHOR of 84 scientific papers, Monographs and several articles published in peer reviewed journals, with a particular interest in agriculture and environmental protection (see <i>the Annex</i>);
Driving licence	Category A, B & C
